

Ashdown District Hike Training Session

3 Feb 2007: Kingston 16.5km

OS Explorer Sheet 122 (Brighton & Hove)

Checkpoint grid references:

Start: 394, 083

CP1: 365, 077

CP2: 378, 062

CP3: 377, 042

CP4: 395, 043

CP5: 387, 065

Finish: 394, 083

Note to leaders: this route covers part of the same ground as one of last year's sessions. There will be some temptation for the older Scouts to go the wrong way because they remember it from last year. This is a deliberate challenge so watch out for it! More generally, the route is more challenging than the previous two weeks, and there are valid alternative routes between some checkpoints.
